

United FCS

...where U Belong

Meet United FCS...

United FCS is a growing success-focused organization and a member of the Farm Credit System.

Serving over 6,000 customer-members and with over \$1.7 Billion of assets, United FCS has a primary focus in a 22-county service area in West Central Minnesota and North Central Wisconsin providing loans, leases and a wide array of financial services through twelve branch office locations and over 190 employees.

Work Environment

As we expect our team members to provide top quality products and service, we understand it's equally as important to offer our team members growth opportunities in a high quality work environment where they can feel well supported throughout their career. We believe nothing speaks to our commitment to offering this type of environment more than our world-class employee engagement scores. At United FCS, we encourage innovative thinking and promote our team members' potential through offering opportunities to utilize and advance their skills and expertise while embracing diversity and inclusion in the workplace and placing a steadfast value on approaching each other with dignity and respect.

Member of the Nation's Largest Rural Lending Network

The Farm Credit System provides credit and related financial services to all types of agribusinesses and agricultural enterprises...

The Farm Credit System is large by virtually any measure as is shown in the following:

- Half a million customers/owners
- Association offices serving all 50 states and Puerto Rico
- More than 10,000 employees
- Assets in excess of \$160 billion

We take great pride in our greatest strength and most distinctive feature, our cooperative structure. Our Farm Credit System is a network of rural financing cooperatives, each owned by its member-borrowers. The cooperative is always focused on the needs of our borrowers. This unique perspective keeps us closely involved in the local communities we serve and fuels our passion to ensure customer success.

“A cooperative devoted to
the success of our
members.”

United FCS Brand Promise

Career Options

If you're looking for more than just a job—something you can truly commit to, believe in, and feel good about—find your place with United FCS. At United FCS, you will use your skills to contribute to the well-being of agriculture and rural America. A career in Farm Credit can lead to a truly satisfying way of life.

While we hire many employees with training in credit and finance, lending isn't all we do. We also employ people with skills in other specialized areas, such as information technology, human resources, marketing, appraising and accounting.

Major career opportunities include...
